## PRINCIPAL'S DESK:

### Parenting

I regularly tell parents that being a parent is the hardest job in the world. Many seem surprised by this but, as both a parent and an educator, I know it is. Parents constantly praise their children but few people praise the parents. I am going to. **Well done to all of the Templeton parents on being great parents!!**

We don't always get our parenting correct because every child is different, even if they are of the same family and gender. Parents are also human so their parenting can be affected by tiredness, illness, exasperation, emotions, hormones, workplace worries, budgetary concerns and... the list goes on. Even in the same family, parents can disagree on how to parent. This is amplified at school where we encounter many parenting styles. I imagine you are friends with other parents in our community who have similar parenting styles to you.

## **PRINCIPAL'S DESK:**

This is all part of living in a community and school is just a microcosm of society. It is inevitable that you will not agree with everyone, be it fellow parents, teachers or me. The important issue is that we teach children tolerance; acceptance; and that there are other points of view, regardless of whether we agree with them. That is what living in a democracy is all about. It is important to model to children that we can disagree without fighting. Such modelling may also help save future victims of the infamous 'one punch' or domestic violence.

### **Kiss and Go**

It appears that some drivers are disregarding the two minute parking limit in the Kiss and Go area in Crestdale Road. This is showing little respect for the road laws, the hard work done by the Junior School Council and the safety of all children at the school. I have been supplied with registration numbers from other parents who are frustrated by the law breakers.

### **Sibling Enrolments for 2017**

Enrolments for Preps 2017 will close at the end of term. Mr Boag will then be allocating places to eligible children. If you have a child already at the school and one that is due to start next year in Prep, please ensure you have delivered an enrolment form to the school's office. We have over one hundred children on our list, including forty-seven siblings.

### **Cross Country**

The Cross Country event is on next Friday, 6<sup>th</sup> May. Miss Potter and Miss Gordon have been busy training the runners before school. It is wonderful to see the commitment from both the children and the staff. Good luck for next week.

### **Regional Tennis**

Congratulations to Andrea C and Joshua T who have made it through to the Regional Tennis Finals to be held in May.

Mrs Barbara Peel—Acting Principal

## MOTHERS' DAY 8th MAY 2016

Our annual Mothers' Day Stall will be held on Thursday 5th May in the Community Room between 9.00am and 1.00pm.

Items will be priced between 50 cents and \$10.00.

Children should bring their money in a safe purse or envelope and should also bring a plastic bag to take their gifts home in.

For those children who forget their money on Thursday, or for anyone wishing to buy extra gifts, all remaining items will be available for purchase after school on Friday 6th May outside the GP Room from 3.30pm to 4.00pm.

If you are available to help at the stall please put your name down on a list at the Office. Even an hour of your time would be very much appreciated.

Morning tea will be provided between 11.00am –11.30am while the children are at recess.

Mrs Ingrid Alipan, Mrs Nadine Coughlin and Mrs Angela Ledwidge

# The 20<sup>th</sup> Templeton Primary School Family Technology Challenge

As part of EDUCATION OPEN NIGHT, parents and children are invited to combine their creative and technical genius to complete a solution to the following challenge:

*Design and make a car using a large carrot or parsnip.*

**Materials:** Use a carrot or parsnip for the body of the car.  
The vehicle can have 3, 4 or more wheels. No motor.  
Try to use mostly recycled materials for the wheels and axles.

**Hint:** You may need to refrigerate your car before Open Night or be prepared to make a second one if the first one starts to spoil. You may eat your car after the challenge!

**Process:**

- A well designed vehicle should travel fast and straight and the wheels should not fall off at any stage.
- Please put your name and grade somewhere on the vehicle so we know who made it.
- You will demonstrate your car on the morning of Thursday, 12th May 2016 and then again that evening.
- We will measure how far the carrot car has travelled - down a ramp and along the Art Room's uncarpeted floor.
- Any questions about the challenge can be directed to Mrs. Jelley or Mrs. Moore.

Please deliver your vehicle to the Art Room before 9am on Thursday, 12<sup>th</sup> May. We look forward to seeing your AMAZING designs.

## **OUT OF SCHOOL HOURS CARE (OSHC)**

### **CURRICULUM DAY PROGRAM**

We will be running a Curriculum Day Program this Term. The program will operate on **Friday 13<sup>th</sup> May, 2016** between 7:00am and 6:00pm.
