

TEMPLETON CHESS CLUB

Chess is one of the most powerful educational tools available to develop a child's mind, there being documented scientific evidence* that chess study over a period of about 12 months, significantly increases children's measurable intelligence and ability to quickly adapt to changing technologies* www.auschess.org.au/articles/chessmind.htm

Both the advanced 'Dragons' & semi-advanced 'Knights' will learn/play together in the library for lectures, online chess tuition & tournaments!
