

PARENT PAYMENT

POLICY

Rationale

School councils are able to request payments or contributions for education items and services from parents and guardians for students in Victorian government schools in the three categories – essential education items, optional education items and voluntary financial contributions.

Templeton Primary School has spent considerable time selecting the most appropriate requisites to meet the needs of our children. The book packs contain high quality materials at a competitive price due to our ability to bulk order.

Parents and guardians also have the option of purchasing equivalent materials from other sources. If parents and guardians choose to provide equivalent materials, this should be done in consultation with the school, as items should meet the specifications provided by the school. There may also be certain items that due to their nature may only be provided by the school.

No student will be treated differently, denied access or refused instruction to the standard curriculum program for not making a payment or voluntary contribution.

Parent Payment Categories

Essential education items are those items or services that are essential to support the course of instruction in the standard curriculum program that parents and guardians are responsible for and may choose to either provide or pay the school to provide.

These items include:

- materials that the student takes possession of, including text books and student stationery
- materials for learning and teaching where the student consumes or takes possession of the finished articles (e.g. art, cooking, science);
- school uniform
- transport and entrance for camps and excursions which all students are expected to attend.

Optional education items (or non-essential materials and services) are those that are provided in addition to the standard curriculum program, and which are offered to all students. These optional extras are provided on a user-pays basis and if parents and guardians choose to access them for students, they will be required to pay for them.

These items include:

- student computer printing for personal use, internet access for recreational or non-school use
- extra-curricular programs or activities e.g. instrumental music, aerobics
- school-based performances, productions and events; and
- school magazines, newsletters, class photographs.

Voluntary financial contributions are for those items and services that parents and guardians are **invited** to make a donation to the school, for example for grounds maintenance, a library or building trust. Only some donations are tax- deductible.

Other support options

The school appreciates that families may sometimes experience financial difficulties in meeting requests for payments and contributions. A range of support options are available to assist parents, including Camps, Sports and Excursions Fund (CSEF) and State Schools Relief Committee support.

Camps, Sports and Excursions Fund

A parent or guardian of a child under 16 years of age who receive a Centrelink benefit and a Health Care Card or pension card, may be entitled to the Camps, Sports and Excursions Fund (\$125 per annum per student). The annual allowance amount is paid directly to the school.

To be eligible for the fund, a parent or legal guardian of a student attending a registered Government or non-government Victorian primary or secondary school must on the first day of Term two, or; on the first day of Term three;

a) Be an eligible beneficiary within the meaning of the *State Concessions Act 2004*, that is, be a holder of Veterans Affairs Gold Card or be an eligible Centrelink Health Care Card (HCC) or Pensioner Concession Card (PCC) holder, OR

b) Be a temporary foster parent, and;

c) Submit an application to the school by the due date.

Parents who receive a Carer Allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with one of (a) or (b) above.

Schools are required to use the Camps, Sports and Excursions Fund (CSEF) payment for expenses relating to Camps, Sport and/or Excursions for the benefit of the eligible student only.

Payment arrangements

Parents and guardians will be provided with early notice of payment requests for essential education items, optional extras and voluntary financial contributions (a minimum of six weeks notice prior to the end of the previous school year).

Payments are kept to a minimum with payment requests and letters fair and reasonable. To further assist parents with payments, four payment options have been developed:

Option A Full amount

Option B Payment plan available from the school office

Alternative payment options are available through the school with parents encouraged to make an appointment with the school to discuss circumstances and available options.

Receipts will be issued to parents immediately upon making payment.

Reminders for unpaid essential education items or optional items will be generated and distributed on a regular basis to parents, but not more than once a month.

Only the initial invitation for voluntary financial contributions and one reminder notice will be issued to parents and guardians.

All records of payments or contributions and any outstanding payments by parents and guardians are kept confidential.

Use of debt collectors to obtain any school funds owed is not permitted.

An understanding for parents on the legislation, school payments and what parents may be asked to pay for are outlined in Department of Education and Training handout (see below).

Evaluation

This policy will be reviewed as part of the school's three-year review cycle.

This policy was last ratified by School Council in....

September 2019

Understanding Parent Payment Categories

Schools

What does the legislation say?

The Education and Training Reform Act (2006) provides for free instruction in the standard curriculum program to all students in government schools. The Act also empowers school councils to charge fees to parents for goods and services provided by the school to a child.

In the Act, a 'Parent' includes a guardian and every person who has parental responsibility for a child including parental responsibility under the Commonwealth Family Law Act 1975 and any person with whom a child normally or regularly resides.

What do schools pay for as part of 'free instruction'?

Free instruction is the teaching staff, administration and the provision of facilities in connection with the instruction of the standard curriculum program, including reasonable adjustments for students with disabilities.

The standard curriculum for Years F-10 means implementation of the Victorian Curriculum F-10.

The standard curriculum for senior secondary schools means a program that enables a student to be awarded a VCE or VCAL qualification.

What principles govern parent payment practice?

Educational Value | Access, Equity & Inclusion | Affordability
Engagement & Support | Respect & Confidentiality | Transparency & Accountability

Parents

What may parents be asked to pay for?

Schools can request payment for Essential Student Learning Items

These are items, activities or services that the school deems **essential** to student learning of the standard curriculum.

Where practical and appropriate, parents may choose to purchase items through the school or provide their own.

These may also be either:

Items the student takes temporary or permanent possession of

- e.g.
- textbooks, activity books, exercise books
 - stationery, book bags
 - student ID cards, locks
 - cooking ingredients students will consume
 - materials for final products that students take home (technology projects, build-your-own kits, dioramas)
 - Picture Exchange Communication Systems

Activities associated with instruction that all students are expected to attend

i.e. travel, entry fees or accommodation

- e.g.
- excursions
 - incursions
 - school sports
 - work placements

Parents can be asked to pay for items, activities and services in the three Parent Payment Categories:

Essential Student Learning Items,
Optional Items and
Voluntary Financial Contributions.

Schools determine how items, activities and services are classified within these categories based on the learning and teaching program of their school.

Schools can request payment for Optional Items

These are items, activities or services that are **optional** and are offered in addition to the standard curriculum.

Students may access these on a user-pays basis.

These may be either:

Items the student purchases or hires

- e.g.
- school magazines, class photos
 - functions, formals, graduation dinners
 - materials for extra curricular programs
 - student accident insurance

Activities the student purchases

- e.g.
- fees for extra curricular programs or activities, such as instrumental music tuition
 - fees for guest speakers
 - camps, excursions, incursions, sports
 - entry fees for school run performances

Items and/or materials that are more expensive than required to meet the standard curriculum

- e.g.
- use of silver in metal work instead of copper
 - supplementary exam revision guides

Schools can invite
**Voluntary
Financial
Contributions**
for

- e.g.
- Building or Library fund (Tax deductible)
 - Voluntary contributions for a specific purpose, such as equipment, materials, services.
 - General voluntary contributions

Support for families experiencing hardship is available at every school and each school has a parent payment contact person. See your school's policy for more information.
