My School

Prep 2026

**I'm going to school this year.
My school is Templeton Primary School.**

I'll be going to school nearly every day. School starts at 9 o'clock in the morning. It's important for me to be on time.

Every day my school bag needs to be packed with all the things I'll need for school.

There are lots of teachers at school. The teachers know all the school rules. If I need help at school, I can ask a teacher.

There are 5 Prep teachers, and their names are Mrs. Siladi, Mrs. Zhang, Mrs. Grasso, Mrs. Glembin and Mrs. Tuttleby.

Each class has a teacher helper. They are here to support our learning and care for us when we need help. Our teacher helpers are Mrs. Vernon, Mrs. Kosmopoulos, Mrs. Jeeveraj, Mrs. Luo and Mr. Donald.

Mr. McKinlay is the principal of Templeton Primary School. He looks after all of the children and teachers.

Mr. Crilly and Mrs. Edwards are the Assistant Principals of Templeton Primary School. They help Mr. McKinlay look after the teachers and children.

In my classroom, sometimes I will sit at the table to do my schoolwork.

Sometimes I will sit on the floor with the other children to do activities, sing songs, listen to instructions or a story.

At other times, I might use one of the iPads or do other fun activities.

My teachers help me to follow the rules.

Some important rules are:

Walk and talk
quietly.

Walk inside.

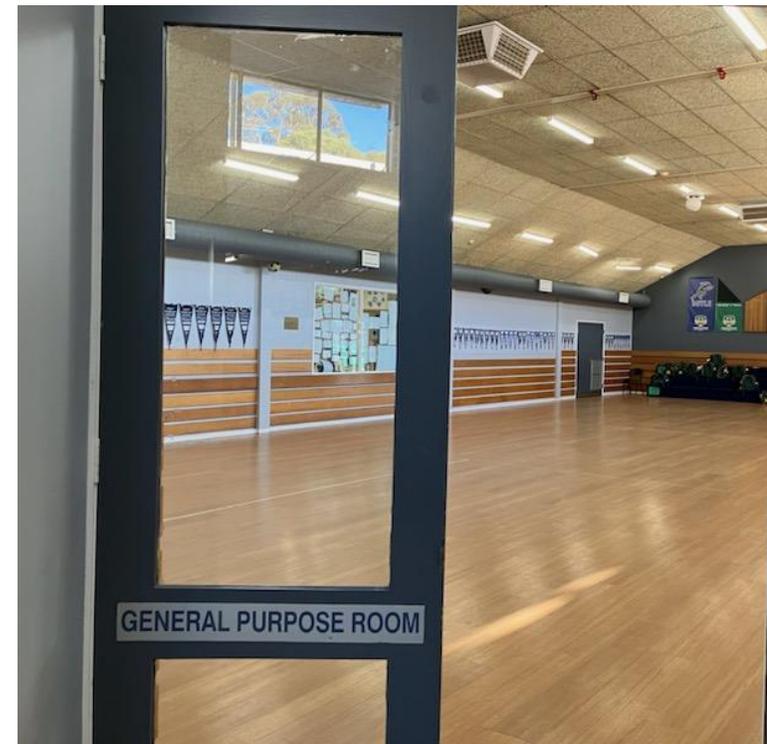

Use
good
manners

Keep hands and
feet to yourself.

One person
speaking at a
time.

Listen and
follow
directions
carefully.

Most of the time I'll be in my classroom with my teacher, but not all the time. There are lots of different rooms and places to be in at school.

**At school, we will learn how to read, write and do maths.
We will also go to specialist classes where we will do
sport, music, art, Chinese, computers and visit the library.**

At school we have four house groups. Every student is in one of the four houses. We go to specialist classes in our house groups.

In the library, we get to listen to stories and borrow books to take home. The Library teachers are Ms Forrest and Mrs. Clements.

In Physical Education, we get to play lots of different games and sports. The PE teachers are Mr. Maroney and Mrs. Gilmore.

In Performing Arts, we get to sing, dance, perform and play instruments. The Performing Arts teachers are Mrs. Wood and Mrs. Phang.

In Art, we get to draw, paint and create our own artwork. The Art teachers are Mrs. Jelley and Mrs. Waack.

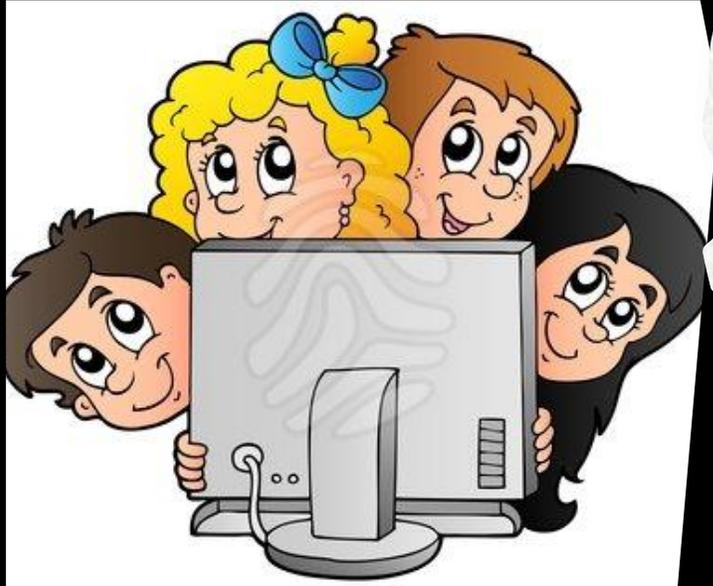

**We learn how to speak and understand Chinese.
The Chinese teachers are Mr. Miao and Mrs. Lin.**

漢 字 漢 字

**We learn how to
use computers,
iPads and robots.
The Computer
teachers are Mr.
Dawson and Mr
Miao.**

Sometimes my teacher may send me to the school office to send a message or collect a package. The ladies in the office are Mrs. Raines and Mrs. O'Neil.

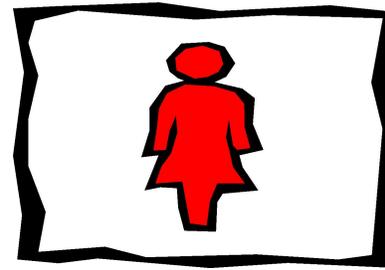

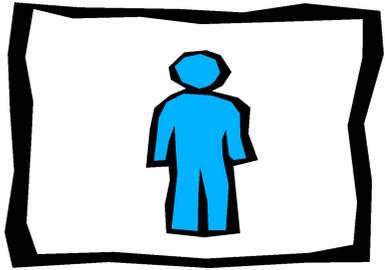

If I am sick or I have hurt myself, I might be sent to the Sick Bay. At the sick bay there are grownups that will help me. The first aid helpers are Mrs. Disney and Mrs. Che.

The school cleaner's name is Kap. He keeps our school looking clean and tidy.

The boys and girls use different toilets at school.

The boys' toilets have a picture of a boy on the door and the girls' toilets have a picture of a girl on the door.

I can use the school toilets whenever I need to.

There are special drinking taps at school.

I'll have my own water bottle on my table in the classroom, but if I am outside, I can get some water from the taps.

If I need help when I'm outside at playtime, I can look for the teacher on yard duty. The teacher on duty wears a bright yellow vest.

The teachers take it in turns to be outside at playtime.

At half past 3 in the afternoon the bell will go, and it will be time to go home. Every day at Templeton is a fun day of learning.

We finish school at 3:30.
